

FinderToken™ Explainer & Pricing

FinderToken™ is the in-platform currency that powers engagement on FinderMeister. It is used to apply for find tasks, boost visibility, and unlock premium functionalities for both Finders and Clients. **Usage Overview:** - Every Find posted by a client requires 10 FinderTokens to apply. - For Clients: Posting a high-budget find (■100,000 and above) requires FinderTokens. - Optional: Clients can also use FinderTokens to boost the visibility of their find (50 FinderTokens).

Monthly Allocation:

- Each verified Finder receives 20 free FinderTokens monthly. - Beta launch bonus: First 50 verified Finders receive 70 FinderTokens + fast-track promotion opportunities.

FinderToken™ Pricing Table:

Tokens	Price (■)	Use Case
25	■500	Light usage / trial engagement
50	■1000	Moderate participation
100	■2000	Power users / active Finders
200	■4000	Prolific Finders or agency teams

FinderToken™ ensures fairness, limits spam, and promotes quality participation in the FinderMeister ecosystem. Clients gain more visibility and serious proposals. Finders increase chances of winning finds with strategic token use.
